Purchase VidiCable for Windows

VidiCable offers three subscription plans: Monthly, Yearly, and Lifetime plans.

Quick Link: To purchase a license key for VidiCable for Windows, please visit [here](#).

1. Why should I buy VidiCable?

It is totally free to get videos from Twitter, YouTube, Vimeo, or other videos sites by using VidiCable. But you can only download the first 5 minutes of each video from 7 sites (Netflix, Amazon, Disney+, Hulu, HBO Max, Paramount+, Discovery+) with the free trial version. To unlock this limit, please purchase a license and register for the program.

2. What Benefits do we have after Registration?

- Unlimited use during the subscription period without any function restrictions.
- Lifetime FREE upgrades to the latest versions of the same product.
- Lifetime FREE technical support.

Register VidiCable for Windows

Step 1: Run VidiCable on PC. First you should click the **Menu** icon  or the **Key** icon on the upper right, and then select **Register** option to register your program.

Step 2: Please fill in the blanks with the **Registration Email** and **Registration Code**. You can use keyboard shortcuts to copy (Ctrl+C) and paste (Ctrl+V) your license in the registration window.

Register X

Please enter the registration information to upgrade trial version to registered version.

E-Mail:

Code:

Buy Now OK Cancel

Step 3: After finishing the Registration, the limitation of the trial version will be removed.

Notice:

1. Your computer should be connected with the Internet.
2. Make sure both the Registration Email and Registration key are provided by our company after you pay the registration fee. If you have not paid, please click **Buy Now** to [purchase](#).
3. Please make sure Registration Email and Registration key you entered are both completely and correctly, if not, an error message will pop up as below:

Installation & Interface

Installation

To install the program, please follow the instructions below step by step:

1. Download and install VidiCable for Windows from [Download Center](#).
2. Double click the installation package of VidiCable for Windows to start installing the program on your computer.
3. Follow the instructions to finish the installation.

Note: You can customize the output path for the program as well as create a desktop shortcut icon for convenience during the installation.

Main Interface

Launch VidiCable for Windows and you will see the main interface as below:

VidiCable for Windows

The screenshot shows the VidiCable Video Downloader application window. At the top, there's a dark header bar with the VidiCable logo, a 'Download' button, a 'Library' button, and some other icons. Below the header is a search bar with the placeholder text 'Paste the video URL, here from Vimeo...'. Underneath the search bar is a simulated browser window displaying a YouTube video page. A red arrow points to the URL bar of the browser, which contains the URL <https://www.YouTube.com/Watch?702351640?trackid>. Above the URL bar, the text 'copy link and paste it above.' is displayed in green. In the bottom right corner of the main window, there's a 'PRIVACY POLICY' link.

Menu

Click the “**Menu**”  button on the upper-right corner, and you will see a dialogue as below:

Settings

Click the “**Settings**”  button on the upper right, and you will see a pop-up window as below, where you can customize the output format (MP4 or MKV), output quality (High, Medium, Low), output path, audio and subtitles language, etc:

Tutorials

- Select Website
- Customize Download Settings
- Log into Account
- Search for Videos
- Select Audio Track and Subtitle
- Download Videos

Select Website

Run VidiCable on your PC, and select the website that you want to download videos from. You can enter the keyword to find the site. After selecting, the program will restart to apply the selection.

Customize Download Settings

Then, directly go to the setting window using the Gear icon on the top-right corner, then you can select the video quality, change the output path, and enable the option for hardware acceleration. If you are trying to download video

from Netflix, Amazon, Disney+, Hulu, HBO Max, Paramount+, and Discovery+, you can also change the Audio Language, Subtitle Language and more.

Log into Account

For downloading videos from Netflix, Amazon, Disney+, Hulu, HBO Max, Paramount+, and Discovery+, you are required to log into these sites by entering any words to the search box. For recording videos from other sites, please ignore this step.

Search for Videos

VidiCable enables you to add and search videos from YouTube, Netflix, Amazon, Disney+, Hulu, HBO Max, Paramount+, and Discovery+ by using keywords. For downloading videos from the other sites, please open your web browser, find the video you want to download from that site and copy & paste its URL from the address bar to VidiCable's search box.

Video Title	Release Year	Duration	Description	Action
BABY	2020	3 seasons	Fed up with their families and classmates, two teen girls from a wealthy part of Rome are drawn to the city's underworld and start leading double lives.	
Baby Driver	2017	1 hour 53 mins	Smooth-faced getaway driver Baby is a music junkie in deep with a bad dude. He's got just one job left, but it's all about to go sideways.	
The Baby-Sitters Club	2020	1 season	Ann M. Martin's beloved books get a modern update in this series that follows a group of girlfriends and their homegrown babysitting business.	

Select Audio Track and Subtitle

VidiCable allows you to select specific video quality, audio track and subtitle track when you are trying to get videos from Netflix, Amazon, Disney+ and Hulu. If you want to download a TV show, simply click the download icon, followed that a window will pop up allowing you to select titles as well as seasons, and to choose audio track and subtitles by clicking "Advanced Download" at the bottom left corner. For downloading a movie, please click the icon beside "Download" to open the window.

Download Video

After completing the above steps, now the final step is clicking the **download** icon to start downloading the video to the output folder you've chosen in the previous step.

The screenshot shows the VidiCable interface. At the top, there's a navigation bar with the VidiCable logo, a 'Download' button, a 'Library' button, and a system tray icon. Below the bar, a search bar contains the text 'baby'. A message indicates '40 videos found'. The search results list three items:

- Alvin and the Chipmunks: Chipwrecked**: 2011, 1 hour 27 mins. Description: 'When Alvin and the Chipmunks board a cruise liner for a little R&R, they naturally get into trouble... and end up castaways on a deserted...' A green download button is shown.
- Grizzly and the Lemmings**: 2018, 2 seasons. Description: 'Strong, whip-smart Grizzly rules a Canadian forest, where he has his paws full with a family of frolicsome lemmings.' A green download button is shown.
- Baby Geniuses**: 1999, 1 hour 34 mins. Description: 'Two evil adults try to exploit babies who are born with knowledge of...' A green download button is shown.

On the right side of the interface, a download progress bar for 'Polar Bear' is visible, showing 19.6% completion at 190.6 KB/s with 00:11:24 left. There are also 'Remove All' and 'Pause All' buttons.
